PART ONE

Why

It's the tradition of Chinese history

China is a country with an ancient civilization of 5000 years, Governments in ancient china set a high value on strengthening the on-the-job learning for civil servants and improving their cultural literacy, ability of administration and sense of morality.

3rd BRITACOF 19-21 September 2022, Algiers Algeria

BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

It's the demand of central government

**Without the full-scale learning in the whole party and training for the civil servants, there would not be any great development in our cause**

## Why-

It responds to the development of the times

Online learning and online training have become the general trend

The number of Internet users in China had hit 1.032 billion, with the Internet availability rate reaching 73 percent.

It addresses the need of tax authorities

## China's tax authorities characteristics

**Multitude of  
management layers**

**5 layers**

**3200 institutions**

**Large number of  
personnel**

**700,000 serving  
taxation personnel**

**Heavy workload of tax  
collection and  
administration**

**tax**

**social insurance premium**

**non-tax revenues**

BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

Turning gradually the platform into a new battle field for ideological arming, a new vehicle for cadre training, and a new priority of team management and tax administration.

3rd BRITACOF 19-21 September 2022, Algiers Algeria  
BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

## **Characteristics-** platform management

Combines  
vertical leading  
with horizontal  
linkage

We have formed and gradually improved the management system of departments and bureaus responsible for tax collection and administration of the STA, building an all-round discipline led and highly collaborative education and training framework are combined.

## Characteristics- learning resources

### Combines digital integration with resource sharing

-  party building
-  public affairs
-  taxes and fees

-  mini-course
-  standard course
-  MOOC  e-book
